www.himacademy.com

Our Motto is :

तमसो मा ज्योतिर्गमय

HAPS VISION

is to develop and implement curriculum based on Global needs and to make learning enjoyable and exciting experience.

HAPS MISSION

is all round development of students by providing quality in education that can empower students to become confident, competent and responsible global citizens, who value education as a life long process.

school Emblem

School emblem represents our ideology

The open book in the emblem symbolises open mind to adapt to newer ideas. Seven blue stars indicate seven continents for spreading universal education.

The olive branches stand for peace, prosperity and global partnership through education. Five red stars call for keeping five organs of perception open and wide awake.

Lead me from the darkness of ignorance to the light of knowledge.

The Invigorating Force

"Success is strengthened by ethics"

"We believe in ourselves and set our standards high"

It gives me immense pleasure to proclaim that HIM ACADEMY PUBLIC SCHOOL Hamirpur has grown rapidly since its inception in 1998. It has since then made tremendous progress in achieving excellence in different fields-academic and non-academic. This height could not have been achieved without the team of dedicated and devoted staff who is committed to the service. The inscription on its emblem intensifies our faith in God and guides us to strive for excellence in education. I am of the view that education cleanses ignorance and spreads light of knowledge and wisdom.

Our global partnership is aimed at moulding young minds for global leadership. The infrastructure of the school is in pace with the relevant demands of global curriculum and at the same time for maintaining our cultural and ethical inheritance.

Young minds are the prospective architect of nation's destiny. We stand committed to their all round development and well being.

- M.Sc. Physics (BITS Pilani)
- Taught Physics to undergraduate classes from 1966 to 1993.
- Authored 14 books in Physics.
- Sought voluntary retirement in 1993 to set up HIM ACADEMY.
- Won TCS-Education World Teacher Award 2005.
- Presently engaged in implementing the latest pedagogical and holistic personality development programme.

Prof. R.C. Lakhanpal
Chairman

Mrs. C.P. Lakhanpal
Vice Chairperson

The Guiding Light

" Worth is more important than birth.
Aim at quality rather than quantity."

My heartiest congratulations to HAPS family-teachers, pupils and parents-for fructifying our way to excellence since the inception of this school in 1998. It may not be a landmark of its achievement but a faithful execution of our plans and policies since its inception. The past clings to us in many respects. We could overcome the impediments with the persistent efforts of the team of devoted teachers inspired by a holy zeal who have made education a life long process and service a never ending commitment. Today we have a global recognition because of the active involvement of our students and teachers in the process of learning. We have tried to preserve and promote the highest quality learning and cultural traditions through our curricular and co-curricular activities. We have also tried to inculcate creativity and initiative that draw appreciation from each one associated with the school.

I assure parent community that we shall provide better educational environment for the safety, security and all round development of their children.

- M.A, B.Ed.
- Taught in Education Deptt. of Himachal Pradesh from 1975 to 1999.
- Sought voluntary retirement in 1999 and took over as Principal HAPS.
- Strict Disciplinarian and Administrator.
- Won Computer Literacy Excellence Award-2003 and International School Award 2011-2014 for HAPS.

Er. Pankaj Lakhanpal
Director

- B.Tech from NIT Hamirpur (HP).
- Dynamic versatile educational leader with futuristic vision.
- More than 31 Years experience of coaching students for competitive examinations.
- Rich experience of developing study packages for academic and competitive examinations.
- Visited Partner School in UK, under Global School Partnership Programme of British Council.
- Keen on developing students target setting and tracking systems.

Facilitating Learning

state-of -the-art facilities

Smart Classroom

To enhance the quality of teaching and learning, all the classrooms are equipped with interactive flat panels. It provides opportunities to actively engage students by providing multi-sensory learning options that support both auditory and visual learners.

Well Furnish Laboratories

HAPS provides fully equipped laboratories for Physics, Chemistry, Biology, and Information Technology. Experienced educators guide interactive practical sessions, emphasizing applied learning.

Well Stocked Library

A thoughtfully organised library is equipped with an extensive collection of reference books, up-to-date competitive exam materials, periodicals, magazines, newspapers, storybooks, and encyclopedias. It also provides a conducive environment for readers and learners.

Library

IT Lab

Physics Lab

Chemistry Lab

Biology Lab

The Curriculum and Pedagogy

The school strives to provide the students with high quality, stress free learning that lays the foundation for their holistic development. The curriculum is unique in its blend of creative thinking, multiple intelligences approach and differential learning. The teaching methodology incorporates Question Bank Driven Pedagogy which puts student at the center of teaching-learning process.

Career Guidance and Counselling

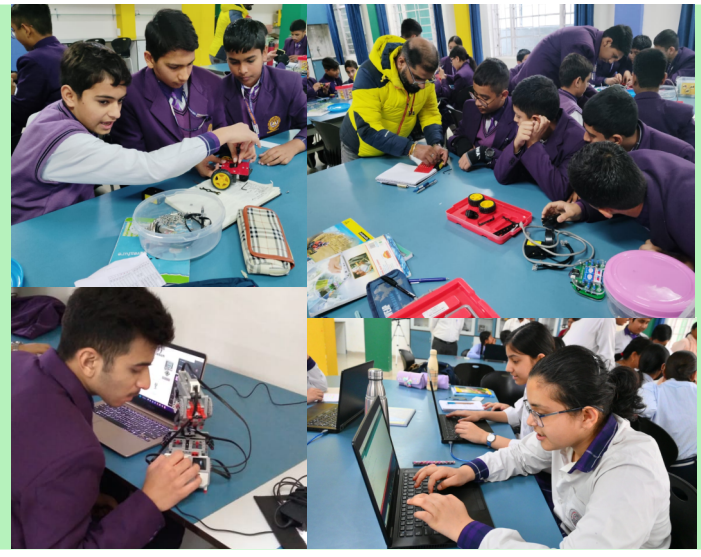
Career guidance and counselling programmes aim to help students become more informed about educational and career choices. There is a counselling cell for familiarizing the students with various career options and also helps them tackle various situational and emotional problems. It involves multiple one-to-one meetings with each student, group information sessions and regular exchange of information with parents.

Students of Grade XII take a psychometric test and are then guided on the basis of the results obtained to make a firm decision about their choice of subjects/career.

The Career Counselling Conclave at Him Academy Public School witnessed the participation of 26 prestigious universities.

Atal Tinkering Lab (ATL)

In our educational institution, we have established the Atal Tinkering Lab (ATL) to unleash the inventive ideas and skills inherent in our young minds. ATL serves as an exclusive workspace where students cultivate innovative skills, shaping ideas poised to revolutionize India. Equipped with cutting-edge tools including 3D printers, robotics, electronics development tools, IoT, and sensors, these labs empower students with hands-on experience. The curated lab activities are strategically crafted to ignite the flame of creativity, transcending conventional curriculum and textbook learning.

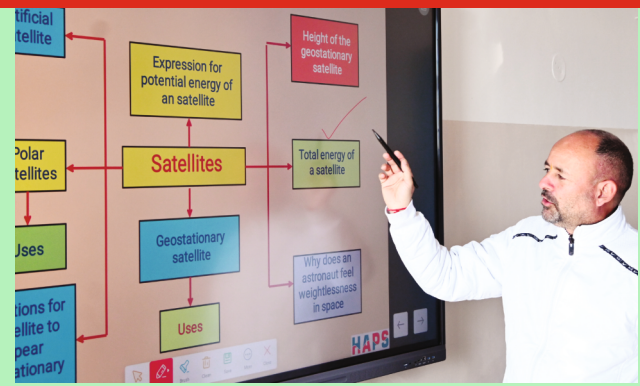


Integrated Coaching

the bottom line is success

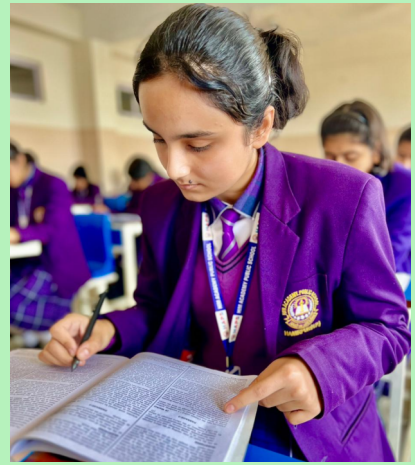
HAPS provides a well defined coaching programme, integrated with routine classroom teaching to all students from class 3rd onwards. This is done using customised assignments of Multiple Choice Questions (MCQs) to test knowledge, understanding and higher-order thinking skills in all subjects. The students in classes 3rd to 8th are also exposed to Competency Based Olympiads (CBO's) regularly.

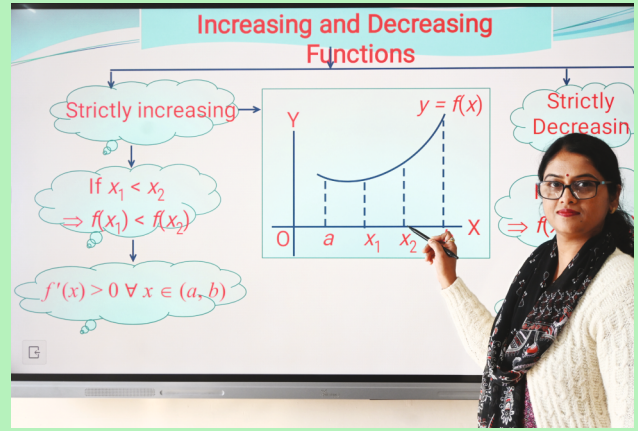
The students of classes 9th to 12th are provided coaching for competitive exams such as **JEE, NEET, NDA, CLAT, Military Nursing Services (MNS), IIT, NIFT, Olympiads.**

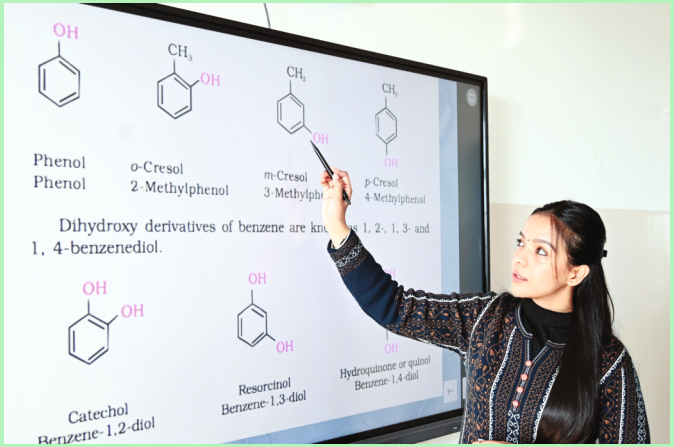


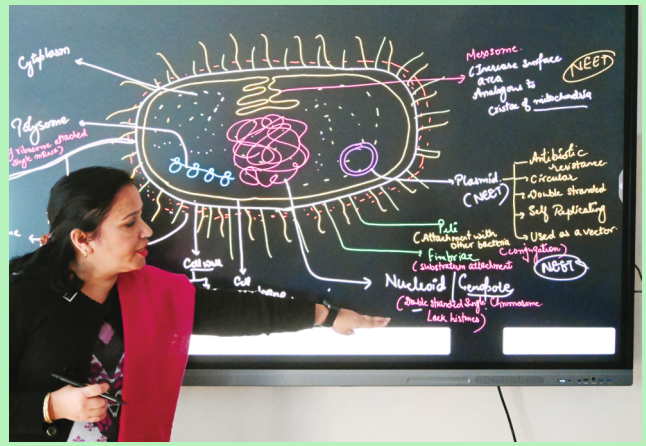
Salient features of the Integrated Coaching Programme are as follows:

1. Graded Assignments
2. Memory Frames and Memory Tips
3. Coaching Camps
4. Career Counselling
5. Feedback and Mentoring
6. Mock Tests/Part Tests with Doubt Removal Sessions
7. Double Cross Technique for managing time while studying through MCQs









Co-Curricular Activities

Inspiring creativity & Expression

Performing Arts : HAPS provides a dynamic artistic environment where music and dance flourish. Our experience and highly qualified teachers through rhythmic expression and artistic movement, aim to nurture well-rounded individuals with a deep appreciation for the performing arts.

Creative Arts : A wide spectrum of visual arts is taught at HAPS like, fine arts, folk art, glass painting, paper craft, clay art and pottery.

Public Speaking : HAPS offers Public Speaking as a transformative initiative-where confidence soars, communication sharpens, and leadership excellence becomes a passport to success.

Student Empowerment through Values in Action (SEVA) : SEVA is a positive and attractive programme of Him Academy Public School. This innovative programme is designed to involve all stakeholders (parents, pupils, management and teachers) to create a value based society, not by preaching but by practising values. It is the whole system of education imparted in school.

Sports instilling confidence

The development of mind and body go hand in hand.

The school has incorporated a well-defined sports activity into the curriculum to achieve its mission of imparting holistic education. Students are encouraged to participate in various inter house and inter school tournaments scheduled throughout the year. The school provides a wide arena of sports facilities which includes Volleyball court, Basketball court, Badminton court, Cricket Ground, Football Ground, Swimming Pool, Gymnasium, Snooker, Table Tennis and Indoor Games.

Winners and Achievers

Winners of Children Science Congress-2023.

Rahul Chadak secured 1st place in **State** Children's Science Congress, Activity Corner.

Anveshika Sharma won the **State** Level Essay Writing Competition and was awarded a prestigious certificate and a cash prize of 5000.

Vartika Mahajan secured 2nd position in Sanskrit Shalokocharan at an **International** Level

Kirti Sharma secured 3rd position at **District** Level Sanskrit Geet Competition

Ishan Sharma Received a cash prize of Rs. 10,000 in **District** Level Exhibition competition as part of the Inspire Manak Award.

Sadik and Vrishti excelled by securing first position in the Virtual Inter-School **National** Debate Contest.

Five students (Ojasvi - 6th, Akshita Sharma - 7th, Aditi Sandhu - 8th, Shashwat Sharma - 10th, Anvi Mahajan - 11th) excelled in Vidyarthi Vigyan Manthan (VVM), secured spots in the **State** competition.

Community Service

NSS, NCC and Scouts & Guides

Prioritising selflessness beyond personal interests is a fundamental aspect of our school's ethos. We nurture civic responsibility in students with our National Service Scheme, National Cadet Corp, and Scouts/Guides programmes. Students actively engage in tasks such as disaster relief visits, cleanliness drives, tree planting, Safety mock drills, awareness rallies and facilitating blood donation camps.

NSS volunteers, Gouri and Naman, from grade 11, have been selected for the **State-Level Republic Day parade**.

International Dimension

Round Square Conferences, Foreign Educational trips, Academic Exchanges and Intercultural Programmes

Internationalism provides a strong foundation for future-ready education, preparing young minds for life's challenges and fostering global understanding. Our school ensures a global perspective with Round Square conferences, AFS programs, Foreign Educational Trips, and Academic Exchanges. Yearly National and International experiences prove beneficial for students who aspire to pursue higher education abroad after completing their school studies.

Round Square

Cross Cultural Collaboration from a Global outlook

We recognize that a successful education has many different strands. Our association with Round Square (a network of 215 schools from 55 countries across five continents) in the year 2017 is a positive progressive initiative and has brought many multicultural and multilingual opportunities for students for their all-around personality development. Round Square works around its philosophy that student education is based on much more than what occurs in the classroom. Association with Round Square has allowed us to connect with schools not at the national level but internationally and given opportunity for our students to travel to conferences and service projects to share ideas and programs with like-minded counterparts throughout the world.

IAYP
International Award for Young People

International Award for Young People (IAYP) We take pride in calling ourselves a centre of International Award for Young People (IAYP) instituted by the Duke of Edinburgh London. It is the most adaptable and successful youth empowerment programme without any religious, political or strategic affiliations. It is allows our young students to develop values like commitment, perseverance, honesty, service to community etc.

Nurturing Home understanding the needs

HAPS Hostel is thoroughly equipped with top-notch amenities, and its infrastructure is meticulously designed to cater to every aspect of the boarding environment. Similar to a boarding school, it offers children a unique and special experience, fostering self-learning and self-reliance through daily routines and community interactions from an early age.

A typical day of a HAPS boarder

A Day in the life of HAPSian

Time	Monday to Saturday
5:45 am	Wakeup time
6:00-6:30 am	Morning Activities/PT/Yoga
6:30-7:30 am	Bath & Change
7:40 am	Breakfast
8:30 am	Morning Assembly
8:55 am	Academic Classes
10:30 am	Fruit Break
12:10 pm	Lunch
12:50-2:30 pm	Academic Classes
2:30-3:30 pm	Activity Classes/Extra Classes
