IISER Aptitude Test (IAT)

Programme Overview

For the admission to undergraduate programs, IISERs offer admission to courses leading to 5- Year BS-MS (Dual Degree) and 4-Year BS (IISER Bhopal and IISER Tirupati) and B. Tech. (IISER Bhopal) Degree Programs.

About Indian Institutes of Science Education and Research (IISERs)

Indian Institutes of Science Education and Research (IISERs) were established by the Government of India at Berhampur, Bhopal, Kolkata, Mohali, Pune, Thiruvananthapuram, and Tirupati to integrate and promote interdisciplinary science education and research. Over the years, the IISERs have been successfully attracting talented young minds. An overarching goal of the IISERs is to enable students to shape the nation by inventing and implementing sustainable solutions for societal problems through research in science. This is being achieved by our faculty of international repute together with bright students. In a short span of time, the IISERs have generated an incredible amount of intellectual property in the form of publications and patents. Additionally, the graduating students from the various academic programs have been successfully placed and the alumni of IISERs have carved a niche in the global academic/non-academic platforms.

Conducted by
